

DOCUMENTING HISTORY THROUGH ART

Exhibit Open March 8 - May 23, 2024

Featuring student led docent tours and educational programming.

This exhibit uses David Labkovski's art to educate people about the Holocaust and the dangers of antisemitism. Participants from DLP's Student Docent & Leadership program will be conducting tours of the exhibit.

need to create a website page for registration.

Featuring Leora Raikin, *Founder & Executive Director of DLP* and Rebecca Leeman, *DLP Student Ambassador & student at Torah HS*. Guests will learn about Labkovski's life and the experiences behind his work.

About David Labkovski (1906-1991)

Renowned artist, David Labkovski, documented history through art as a way to bear witness to the past. From the vibrant community of Vilna (current day Vilnius, Lithuania) to the Soviet Gulag, to the fate of his beloved childhood community under the Nazi occupation, Labkovski shares a glimpse of the pain from his past. Ultimately, he shares a renewed sense of hope.
